STUDY
AMERICAN LAW & LANGUAGE IN
THE UNITED STATES
THIS SUMMER

The American Law and Language Program (ALLP) is designed to provide individuals who have studied, or are currently studying, law outside of the U.S. with a broad exposure to major concepts in U.S. law and American legal training. The ALLP is a wonderful resource for incoming LL.M. students to gain hands-on preparation for their master's studies, as well as practicing attorneys, judges, business law professionals, and those preparing to join any LL.M. program in a U.S. law school.
